

Preform Facility Authorization Letter

Supplier Company:	Akgap Preform
Supplier Plant:	Ashgabat Turkmenistan
Address	Archabil shayoli 17 Ashgabad city, Turkmenistan
Date:	19 Apr 2016
Authorized by:	Musa Ak
Reason for Authorization:	Supplier Re-Authorization

Dear Parahat,

I'm pleased to inform you that Akgap Preform manufacturing plant has been granted **Conditional Approval** to supply Preform to the Coca-Cola Bottlers .This approval is based on:

- ◆ The Actions you have taken against the findings raised during previous audits
- ◆ The observations during the visit on April 2016
- ◆ The risk assessment done in 2016 based on KORE requirements

This approval is valid for **2 Years** and will expire by **18 April 2018**. This approval will then be reviewed in **Apr 2017** based on the progress against the corrective action plan and the level of quality issues experienced by our bottler partners within the Coca-Cola system, and the actions taken by Akgap Preform manufacturing plant to investigate and resolve them.

Please note that this approval can be reviewed any time, on the basis of quality incidents, audit results, process, procedure and raw material changes, etc, and that the approval is only valid for the Preforms produced by Akgap Ashgabat plant. Major changes in raw materials, supply logistics and procedures should be notified to the Coca-Cola Turkey, Caucasus and Central Asia Business Unit Technical department for approval.

Next Steps:

The package supplier and The Coca-Cola Bottlers are responsible for the implementation phase (line trials, local adjustments, etc) within the Turkey, Caucasus and Central Asia Business Unit and other Business Units who would like to use Akgap Ashgabat Preforms. Should the package fail to meet the Coca-Cola Bottlers' expectation, these have the ability to deny and refuse the bottles, which could result in the withdrawal of the authorization.

Authorization terms and conditions:

- 1. This authorization is based on the audit and corrective action provided. It is granted with sole belief that the supplier is able to produce and sell certified package with consistent quality following The Coca-Cola Quality System standards and requirements.*
- 2. The Coca-Cola Company quality principle is to buy only authorized packages from authorized suppliers. This rule is valid for all Coca-Cola System (i.e. bottlers).*
- 3. Each Coca-Cola Business Unit duty is to identify and authorize packages. This letter is issued upon agreement of the appropriate Business Units.*
- 4. The Coca-Cola Company truly trusts that suppliers will follow authorization limitations and will not jeopardize business relationship by intentional or unintentional violation of them. It is basic expectation that suppliers will conduct business with Coca-Cola bottlers following valid supply authorization by The Coca-Cola Company.*
- 5. If any of the conditions under which the authorization is granted has changed, the supplier is obliged to inform The Coca-Cola Company about the change, which is subject to review the authorization validity. This point in particular refers to changes in basic elements. The supplier is also asked to inform the Company for any additional element changes.*
- 6. This document is available to any of the Coca-Cola System authorized authority upon request.*
- 7. This supply authorization also assumes that the Supplier has read, understood and is in, and will remain in, compliance with all the requirements of the "Supplier Guiding Principles" of The Coca-Cola Company. A copy of this document can be provided to the Supplier upon Supplier's request and is also set forth on the website address www.cocacola.com. If requested, failure to demonstrate compliance to the satisfaction of the Company may lead to de-authorization of the Supplier and the packages produced in its plant.*
- 8. General business terms and conditions are described by the Supplier's Authorization Agreement (SAA).*
